## SUMMARY

Aspiring Full Stack Developer skilled in Java, React, Python, MySQL, and REST APIs, with hands-on experience through internships and academic projects.

## SKILLS

- **Programming Languages:** Java, Python, C
- **Web Technologies:** HTML, CSS, Bootstrap, React.js, Node.js
- **Databases:** SQL
- **Cloud:** AWS(Fundamentals : EC2, S3, IAM, VPC)
- **Tools:** Git, GitHub, VS Code
- **Core Concepts:** DSA, OOP

## WORK EXPERIENCE

### Python Development Intern, CipherByte Technologies 2024

- Developed Python mini-applications and interactive games using OOP concepts.
- Improved code quality through debugging, refactoring, and best coding practices.

### Web Development Intern, Octanet Services Pvt. Ltd. 2024

- Developed responsive web applications using HTML, CSS, and JavaScript.
- Built a business landing page and personal portfolio website.
- Applied modern CSS (Flexbox/Grid) and JavaScript for interactive user interfaces.

## PROJECTS

### Service Map – Geo Tagging System | Java | React | MySQL | REST APIs 2024 - present

- Led the development of a full-stack geo-tagging platform to improve accessibility to government services.
- Designed and implemented REST APIs, MySQL integration, and a responsive React-based user interface.
- Presented the project to the Andhra Pradesh Education Minister, receiving appreciation and support for further development.

### EduVault – Academic Platform | MongoDB | Express.js | React | Node.js 2025 - present

- Developed a MERN-based platform for students to access notes, textbooks, previous papers, and lecture materials.
- Implemented secure authentication and a responsive interface for resource management.

### Personal Portfolio Website | React | HTML | CSS | JavaScript 2024

- Designed and developed a responsive portfolio website showcasing projects, technical skills, and achievements.
- Built a modern, mobile-friendly interface with optimized performance and navigation.

## EDUCATION

**B.Tech in Information Technology** 2023 - 2027  
KKR & KSR Institute of Technology and Sciences CGPA: 8.88

## ACHIEVEMENTS

- **Government Recognition** – Geo-Tagging project appreciated by the Andhra Pradesh Education Minister
- **1st Prize** – College-Level Hackathon for the Service Map Geo-Tagging System.
- **Top 5 Finalist** – Paten Tata Innovation Hub (45 teams).
- **Elite Certification** in Python and Java Programming (NPTEL)
